

THIS IS TO CERTIFY THAT

Swastik Kumar Mohanty

served as a **Security Analyst Intern** at AppSecure Security from **1 July 2026** to **30 September 2026**.

Over three months he worked alongside our security team on client engagements, analysing applications for exploitable weaknesses, validating findings, and documenting them with clear reproduction steps and remediation guidance.

Swastik is diligent, curious, and technically capable. He picked up new tools and techniques quickly, took feedback well, and was consistent in the quality of his work. We wish him the best and recommend him to any organisation considering him for a security role.
